Are your children involved with the Department of Child Safety? Join us to share your experiences and provide anonymous feedback about services. Have your voice heard and talk with other parents who understand. We would love your feedback about what does and doesn't work for you and your children.

A safe 'share zone' for parents who:

- have children in care, or
- have had children in care, or
- have or have had an intervention with parental agreement, or
- have reunified with their children.

Contact the Family Inclusion Network team for catering and to book child minding. We have a wonderful team of volunteers to assist with child minding.

Call us on **3013 6030** or email Rebecca.Mann@micahprojects.org.au
