Join Family Inclusion Network (FIN) and other parents to chat about how to navigate the child protection, legal and out-of-home care systems.

Hear how parents gained support, addressed their child protection concerns, and became more included in the lives of their children. (This is not run by the Department of Child Safety.)

Morning Tea for parents who have/had:

- » children in care, or
- » an intervention with parental agreement, or
- » been reunified with your children.
